OUR STORY

Started in 2021, by 2 second year students viz. Aditya Trivedi along with Rishabh Nahar[]p, further went on to build a team of more than 25. We had a mission to create a server based application which would be a kind of e-library of our study resources for our college.

OUR MISSION

We work together to collect and arrange all the required study materials for our college classwise and branchwise. Our platform FindMyNotes is a social media for your notes and materials. Our aim is to make your learning easier. Not all of us find the correct thing at right time, so we basically have all the correct things at at one place forever for you!
